Introduction and Existing Scenario

Real estate is a rapidly growing field in the country and everyone needs to hunt for the good house / property. Generally people visit the various agents/brokers in order to buy/sell properties or find tenant.

Now days, life of everybody being very hectic, it really becomes difficult for people each time to visit agent, specify the criteria or make him understand the requirements and find a suitable and comfortable choice much quicker. Day by day the situation is becoming worst and people are finding it difficult to locate good houses.

1.3. Login Page: Login form for Private Seller and Agent

The screenshot shows the RealtorsPortal login page. At the top, there is a navigation bar with links: Home, Sale, Buy, Rent, Lease, Mortgage Calculator, About us, Contact, Login, Register, and Post Advertisement. The main header features a large image of a modern building with the text "Your Gateway to a Richer Life" and a search bar labeled "Search location". Below the header, there is a "LOG IN FOR AGENT" section with fields for "Account" and "Password", and a "Login" button. The footer contains five columns: Uptown, Community, About Us, Company, and Have a Questions?, each with a list of links and contact information.
